What is REAL and

A New World Order Hoax called "Thrive" by Kevin Dunn

Written and posted on March 04, 2012

Yes, it's true. I am once again writing an article because of the spoken words by Ron Paul's biggest promoter during an interview on his radio show on February 29, 2012. The interview was with Foster and Kimberly Gamble, the creators of a video called "Thrive", which Ron Paul's promoter could not praise enough. He started off slow with his praise and yet he said that he was selling it on his website as he was introducing his guests.

I hope that readers have been reading my previous articles because they all tie together in a makeshift sort of way as I continue to become more and more aware of the path that [The Rock Stars of the Alternative News Media](#) are taking us. There is no doubt that the mainstream "news" media is nothing other than the paid mouthpieces for the ruling establishment. That is a no-brainer, but what I am finding quite disturbing is that as I pay closer attention to the "Alternative News Media", I find that they are not what they claim to be either. The expression "**Controlled Opposition**" is ever more prominent in my thoughts as I witness these major personalities **doing a performance** that is less than forthright and

sincere. They have obvious limits to their "truth telling" and there are boundaries that simply will not be crossed. Sure, they claim to be the exposers of the evil New World Order, but what I'm seeing is something very different. I am seeing a group of people who are constantly and **slowly revealing the Hierarchy of the New World Order** to us so that it will not be a shock to people when it comes completely into view. They are preprogramming us to accept **the beast** that is coming. Make NO mistake about it, the New World Order is going to happen despite the **mock protests** by the "Rock Stars" who vow to fight it. It's like we are all watching an old medieval movie with castles and knights and serfs and the trumpeters are blowing long and hard to announce the approach of the king. The ["Rock Stars of the Alternative News Media"](#) are the present day trumpeters and they are blowing until they are blue in the face as they announce the approach of the New World Order.

In previous articles, I have clearly shown how Ron Paul's biggest promoter has been using double speak as he continually beats the drums of "problems, problems, problems" while never giving us any meaningful solutions. He is quite content to rant all day long while frequently boasting how he warned us 6 month ago, a year ago, 5 years ago,... that things were going to happen. What he does not boast about is the fact that he never provided his listeners with solutions to those problems 6 months ago, a year ago, 5 years ago.... He is quite content to claim great vision of the approaching problems while hoping that his listeners will forget that he never actually helped any of us solve those very problems. See how that works? He preprogrammed us to accept the "problems" by giving us advanced warning that they were coming and then, when they arrive, he claims great self importance while saying he warned us. This is exactly how easy it is to **reveal the Hierarchy of the New World Order**. He is doing it every day, day after day after day. Is he good or what? Do they give out awards for being this good? He claims 10 million daily listeners and none of them are learning anything of value. **The "learning" is just an illusion.** The listeners are

really just being **preprogrammed to accept EVERY step** as the noose is being tightened by the New World Order in preparation for the arrival of **the antichrist**.

I showed readers, directly from the King James Bible, who **the antichrist** is and when he will be arriving in my article ["What is REAL and What is Imaginary"](#).

I have shown readers how Ron Paul's promoter has claimed to be a Christian while never actually showing any of us how current events apply to the King James Bible. He is quite content to occasionally say that he is a Christian and maybe say something that sounds like he is a Christian by using words like "**REPENT**", but he never shows us how his knowledge of Scripture applies to his great knowledge about the New World Order. If he is a Christian as he claims, he must be aware that his knowledge of Scripture is far more important than his vast knowledge about the New World Order. Surely no Christian would spend all of his time learning about Satan and becoming an "expert" on the New World Order while completely ignoring Jesus Christ. So why does he keep all of his knowledge about the King James Bible to himself instead of sharing it with his audience? How does ranting non-stop about the problems of the day, while remaining completely silent about the King James Bible as it applies to these endtime problems, help anyone other than the New World Order?

Is it becoming clear to you now, that Ron Paul's promoter is not here to help us? He is here to guide us down the wrong path and away from Jesus Christ, our only hope. He claims to be a Christian while speaking like the devil on his radio show. Even Satan spoke **some** truth as he accurately quoted Scripture while tempting Jesus

OK, let's talk about the movie "Thrive" and about the interview by Ron Paul's promoter.

Ron Paul's promoter said this as he was introducing the movie and the guests: "and you can call it a little New Age. It questions the big lie, well are there space aliens.....".

We are only a few seconds into his introduction and already there was a **HUGE red flag** for me. Does Ron Paul's promoter know so much about the New World Order and yet so little about the New Age? Are we to believe that he does not know that the New Age is part of Satan's plan to deceive the world and accept the One World Religion? If he is HONESTLY ignorant of this fact, perhaps he will consider researching it. Here is a link that will help educate him that the New Age is satanic, the exact opposite of the Christianity that he claims to believe in. http://www.exposingsatanism.org/new_age_links.htm

Here is a short clip of that interview with the creators of "[Thrive](#)"

Ron Paul's promoter described the movie "Thrive" this way "..... **so it's really about**

expanding your awareness and overall I think it's a wholesome film.....".

From the link that I just posted, it says this about the New Age "Followers are told to awaken their God **consciousness**". Consciousness and awareness are two words that mean the same thing. Ron Paul's promoter says that the movie "Thrive" is New Age and then he uses a New Age term as he praises it. Would a person who is a Christian do that? Would a Christian say "I believe in Jesus Christ, but I still think that Satan had some good ideas"?

Moving along..... as Foster Gamble begins speaking for the first time, he says that he became aware of problems after leaving college ".....so I started going after the question, what is getting in the way of our thriving and the best way that I knew how do it at the time was through science and **through consciousness**. I thought it was just a function of **world view**...."

So what do we have here? We have Ron Paul's promoter speaking in New Age terms and we have the creator of the film speaking in New Age terms. And then Foster Gamble goes on to say that Ron Paul's promoter became a hero for him. It was a New Age love fest that continued throughout the entire interview. Everyone was really giving quite a performance, just like I said in my previous article "[Look at the Whole Board](#)" when I quoted Shakespeare "**All the world's a stage, And all the men and women merely players**". These players were certainly trying to sell the audience, but I was not buying it for a moment and I hope after reading my articles, you will stop buying into the nonsense as well.

Now the movie "Thrive" is most definitely promoting a religion which is completely satanic.

The New Age is of Satan and the movie graphics even tell us that, if a person knows what to

look for. Here are a few short videos that show us how the number 666 has been hidden in plain sight all around us. It is just this sort of thing that I saw in the movie "Thrive" in the names of each chapter. Of course 666 is the number for the antichrist and "Thrive" is certainly satanic. "Thrive" is promoting satanism. It's being thrown in our faces.

I could write **much more** about all of this from just this one interview, but this article is long enough.

I hope that it is becoming clear to readers that we are all being played by the New World Order and it's army of minions. If a person is a "**Rock Star of the Alternative News Media**", isn't that a very good sign that they are "**Controlled Opposition**"? Unlike those people who keep clamoring that they are truth tellers who should not be questioned, I want you to question everything that I write. I don't want you to trust me. I want you to investigate everything that I say and prove these things for yourself.

As always, trust God and trust the King James Bible.
