## The "War on Drugs" is a War on America

By Kevin Dunn. Written and Posted on January 07, 2017

How many "Wars" is America fighting right now? Do you know? This article is going to be about the "War on America" by the same creepy New World Order perpetrators who I have been exposing in my previous articles. These malactors are better known as the USA President, the USA Congress, the USA Supreme Court, the USA military TOP brass, the USA police TOP brass. These very same people, who pose as America's "protectors", are in a constant COVERT war against the American People and the "war on drugs" is a major battle that has been expertly waged since President Nixon declared a "war on drugs" in June 1971.

Before I get into the "war on drugs" in greater detail, I want to answer my previous question about how many wars America is waging at this very moment, at least in countries other than in America.

How many other "conflicts" are happening around the world that involve the USA military? I wrote about the USA govt creating a ONE World Military in the article "[Kiss Your Illusions Goodbye](#)". It's still happening and it will continue to happen until THE Antichrist (the DEAD Pope John Paul II) returns, just like that article details.

So let's talk about the planned war on the American People by the USA government that is disguised as "the war on drugs". This war is being waged by "law enforcement" officers, who have forgotten (if they were ever told to begin with) that they are REALLY sworn PEACE OFFICERS. That's the power of constant brainwashing and few people get more brainwashing than cops. It starts in MOVIES and TV SHOWS that are constantly aired. What child has not seen these propaganda pieces most of their lives as they were growing up? Those TV SHOWS and MOVIES likely played an important part in getting most police recruits to apply for the job of police officer in the first place. Brainwashing is amazing, isn't it?

The REAL brainwashing starts for the new police recruits on their first day in the police academy and it continues until an officer leaves the job.

Here is something that none of the police officers will be told by their employing departments because the "war on drugs" plays a very important part in the New World Order's planned destruction of America.

**When All Drugs Were Legal**

<http://archive.lewrockwell.com/huebert/huebert35.1.html>

"Few people are aware that before World War I, a **9-year-old girl could walk into a drug store and buy heroin**. In fact, **before Bayer sold aspirin, it sold Heroin™ as a "sedative for coughs."** (As a German company, Bayer was forced to give up the trademark after World War I under the Treaty of Versailles.) **One heroin-laced cough syrup promised in its mail-order catalog: "It will suit the palate of the most exacting adult or the most capricious child."** Cocaine, first manufactured by Merck, was popular, too. Parke-Davis (which is now a subsidiary of Pfizer) advertised a "cocaine kit" that it promised could "supply the place of food, make the coward brave, the silent eloquent and . . . render the sufferer insensitive to pain."

So what's really happening here?

**Making drugs illegal was a business opportunity** to create "the cops and the robbers and the drug smugglers" and to create a massive prison industry (many prisons are **privately** owned and operated) to incarcerate people for using drugs

that were once legal. It allowed for the destruction of families (it's very important to destroy families, which are the bedrock foundation of a healthy society) and gave the government the opportunity to become even more involved in the raising of children and corrupting them with evil values because a parent is in prison for using drugs. Look around you. Society is being destroyed everywhere you look today and the USA govt and the POLICE are to blame. The USA govt (OUR EMPLOYEES) creates laws to destroy all of us and the POLICE enFORCE those laws no matter what. In fact I wrote an article about that. See "[The Enforcers Are Destroying America](#)"

### A Brief History of the Drug War

<http://www.drugpolicy.org/facts/new-solutions-drug-policy/brief-history-drug-war-0>

"In June 1971, President Nixon declared a "war on drugs." **He dramatically increased the size and presence of federal drug control agencies, and pushed through measures such as mandatory sentencing and no-knock warrants.** Nixon temporarily placed marijuana in Schedule One, the most restrictive category of drugs, pending review by a commission he appointed led by Republican Pennsylvania Governor Raymond Shafer.

In 1972, the commission unanimously recommended decriminalizing the possession and distribution of marijuana for personal use. Nixon ignored the report and rejected its recommendations.

Between 1973 and 1977, however, eleven states decriminalized marijuana possession. In January 1977, President Jimmy Carter was inaugurated on a campaign platform that included marijuana decriminalization. In October 1977, the

Senate Judiciary Committee voted to decriminalize possession of up to an ounce of marijuana for personal use.

Within just a few years, though, the tide had shifted. Proposals to decriminalize marijuana were abandoned as parents became increasingly concerned about high rates of teen marijuana use. Marijuana was ultimately caught up in a broader cultural backlash against the perceived permissiveness of the 1970s.

The 1980s and 90s: Drug Hysteria and Skyrocketing Incarceration Rates

**The presidency of Ronald Reagan marked the start of a long period of skyrocketing rates of incarceration, largely thanks to his unprecedented expansion of the drug war. The number of people behind bars for nonviolent drug law offenses increased from 50,000 in 1980 to over 400,000 by 1997.**"

Are you surprised by Ronald Reagan? If you are surprised, that's ONLY because your lifelong government brainwashing has kept you ignorant of the truth. Brainwashing. I keep talking about it because it is the MOST powerful weapon that is being used against all of us by our ENEMY, the USA govt and ALL of the state and local govts. They are ALL working together to destroy us and it's working very well, don't you agree?

**Now I want to be very clear here.** I have never taken illegal drugs. Never so much as 1 puff of a marijuana cigarette and I'm an old man now. I was a teenager in the 1960s, but I never used drugs. Here is what God says about doing drugs.

1 Thessalonians 5:6 Therefore let us not sleep, as do others; but let us watch and **be sober**.

1 Peter 5:8 **Be sober**, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

Being sober means just that. Don't consume anything to the extent that it impairs your ability to think well and act responsibly. It does not mean complete abstinence. Jesus made wine. Not grape juice, but actual wine that was intended to be consumed for pleasure.

John 2:1 And the third day there was a marriage in Cana of Galilee; and the mother of Jesus was there:

John 2:2 And both Jesus was called, and his disciples, to the marriage.

John 2:3 And when they wanted wine, the mother of Jesus saith unto him, They have no wine.

John 2:4 Jesus saith unto her, Woman, what have I to do with thee? mine hour is not yet come.

John 2:5 His mother saith unto the servants, Whatsoever he saith unto you, do it.

## Was the Stoneman Douglas High School shooting in Parkland, Florida another Hoax?

John 2:6 And there were set there six waterpots of stone, after the manner of the purifying of the Jews, containing two or three firkins apiece.

John 2:7 **Jesus saith unto them, Fill the waterpots with water.** And they filled them up to the brim.

John 2:8 And he saith unto them, Draw out now, and bear unto the governor of the feast. And they bare it.

John 2:9 **When the ruler of the feast had tasted the water that was made wine, and knew not whence it was: (but the servants which drew the water knew;)** the governor of the feast called the bridegroom,

John 2:10 And saith unto him, Every man at the beginning doth set forth good wine; and when men have well drunk, then that which is worse: but **thou hast kept the good wine until now.**

John 2:11 [This beginning of miracles did Jesus in Cana of Galilee, and manifested forth his glory;](#) and his disciples believed on him.

Jesus started His miracles by creating an alcoholic beverage. The Satanic USA govt created a "law" to prevent people from consuming alcohol beverages. Jesus created alcoholic beverages and the Satanic govt outlawed them. Jesus ALSO created the marijuana plant and the Satanic govt outlawed it too.

Satan does the exact opposite of God the Father and Jesus Christ. Who bans what God the Father creates or allows? It MUST be the FOLLOWERS OF SATAN who deny us what God the Father has created. Jesus told His apostles to ARM themselves and the USA govt is trying to disarm us by creating FAKE shootings and FAKE "terror" attacks to deceive us. Satan's followers DO the opposite of Jesus Christ.

If the government REALLY wanted to STOP illegal drug use, wouldn't they stop the movies and the TV shows that promote drug use? How many people watch TV shows and movies? How many people copy what they see in those shows and movies? Have you heard of or seen the "The Fast and the Furious" movie series that started in 2001 about illegal street racing? The 7th movie in the series came out in 2015. Did that movie series play a role in what's happening in the world now?

There is NO connection here, right? The movie series and the REAL world have absolutely no connection, right? All of this street racing nonsense "just happened", right? It just "spontaneously" occurred as all things do? Nothing is ever planned? The water crisis in Flint Michigan "just happened" too, right? OUR enemy, the USA govt played NO part in poisoning the people in Flint with toxic lead in the water? It "just happened", right?

And pay attention here. The POLICE are promoting illegal drug use. That's right. The "DARE" program run by "law enFORCEment" in high schools to "fight drugs" is really about expanding drug use, not reducing it. Sex education does the same thing. Teens have more sex and more babies than ever before. Come on now..... think. You have seen all of this "bathroom" stuff with public schools (government brainwashing centers posing as "education" institutions). You have seen all the "bathroom" stuff at Target stores. Let the name TARGET be your guide. YOU are the "target". Target meaning the person being conned. You are the mark, the victim, the "target". The government is brainwashing YOUR children in school and TARGET is doing the same thing to you.

I keep saying this. The USA govt and ALL state and local govts ARE your enemy.

The "war on drugs" is working wonderfully. Most people will tell you that this war is a complete failure, but that's only because they don't understand what is happening. The sooner you start understanding that the USA govt is OUR enemy, the sooner you will understand that all of the "failures" that you see happening in government are really successes for the New World Order.
