Billy Graham died on February 21, 2018. Did he deceive you?

What is REAL and What Is Imaginary

Banned for Sharing the Truth

I was posting in a forum just minutes ago when I was banned for speaking the truth. I get banned frequently, simply because most forums are controlled by USA government disinfo agents who have the job of deceiving the world. I've

written about that in previous articles.

I posted the following video in the forum today and it's well worth the time it takes to watch it. What you see happening in this video is EXACTLY what is happening around the country and the world. The USA government is staging FAKE shootings and FAKE "terror" attacks while using paid crisis actors to deceive us and then using paid disinfo agents to continue the deception.

The Sandy Hook school "shooting" was fake.

The Ferguson "riots" were fake.

The Boston marathon "bombing" was fake.

Government Paid Crisis Actors were involved in every event. Then the New

Have YOU Been **Properly Dramatized?**

World Order controlled "News" media played it's part by feeding us non-stop coverage for weeks and weeks about the FAKE events

After every FAKE event, the Government Paid Disinfo Agents spew non-stop lies about it to deceive the forum readers. They promote violence and hate with impunity, but the forums ban the people who tell the truth. Go figure, right?

Government Paid Disinfo Agents are some of the stupidest people I have ever come across. It's not just a few of them. It's the vast majority of them. They stand no chance against someone who can actually think well. Even the very few disinfo agents, who can actually think well, are at a severe disadvantage as they defend and promote lies.

So watch this video and realize that what you are seeing in the video is happening everywhere. The USA govt and state and local governments are using the same type of deceptions against all of us. Wisdom dictates **NEVER** blindly trusting anything that we are told by the lying governments and the lying news media.

We have all been trained to believe what "authority figures" tell us.

STOP IT!!!

Who OWNS You?

I suggest that you believe NOTHING that they tell you until they PROVE it.

Now let's get "REAL" in a completely FAKE sort of way.

The Power of Doing **Nothing**

What a show, eh?

Random, But **Important Information**

The Enforcers Are **Destroying America** How real would that FAKE stuff appear to you when the LIARS in the TV News media show it to us? The LIARS parade the FAKE "victims" (AKA Government Paid Crisis Actors) in front of us, who tell us their weepy stories (from their Hollywood scripts).

"Your Money and Liar's Poker"

How about that? Have you ever seen stuff like that on the TV news?

Here is more proof that the USA government is deeply involved in deceiving us.

Eerie as that may be, more perplexing, however, is a federal contract from the 6th Contracting Squadron at MacDill Air Force Base, located south of Tampa, Florida, that solicits providers of "persona management software."

Separating the Stuff from "The Stuff"

While there are certainly legitimate applications for such software, such as managing multiple "official" social media accounts from a single input, the more nefarious potential is clear

"Arrogant NYPD Spokesmen"

the **Air Force's** contract description doesn't help dispel suspicions. As the text explains, the software would require licenses for 50 users with **10 personas** each, for a total of 500.

These personas would have to be,

It continues, noting the need for secure virtual private networks that <u>randomize</u> the operator's Internet protocol (IP) address, making it impossible to detect that <u>it's a single person orchestrating all these posts</u>"
