What is REAL and
What Is Imaginary

"Queen for a Day, Drama Queen That Is" by Kevin Dunn

Written and posted on March 07, 2012

OK, I apologize for the misleading title of this article. It's not really for a day, it's every day, day after day after day. We have an undeclared Drama Queen in the form of Ron Paul's promoter. As I listened to his theatrics during his March 05, 2012 radio show, I thought to myself that he is certainly a drama queen and then I remembered watching a TV show as a child called "Queen for a Day".

You will notice in the youtube clip, that there is a small circus with ponies and clowns which reminds me of "[The Rock Stars of the Alternative News Media](#)". How appropriate to find that clip for your viewing pleasure before getting down to the serious topic of why Ron Paul's promoter keeps announcing problems without solutions and why he keeps doing it in such a dramatic fashion.

Defeating the New World Order

A New World Order Hoax called "Thrive"

Does he keep speaking about everything that he does, and in such a dramatic manner, to scare us or to desensitize us, or to paralyze us into having no hope, or to anger us to the point of acting rashly? What is his motive? I have already told you in previous articles that he is the paid "**Controlled Opposition**" working for the New World Order as he continually announces **the beast** that is coming and will be completely in view very soon. He is running around like a madman sounding the "alarm" while insulting whole groups of people like the police for example, but it's not an alarm to warn and help us. **NOooooo..... he is here for something very sinister. Something Wicked This Way Comes.** Let's listen to him go absolutely berserk and always keep in mind, he never offers any solutions. He never calls for a peaceful boycott of any New World Order controlled product or service. He claims 10 million daily listeners but peaceful boycotts are not what he wants. **He is trying to pick a fight.**

I remember the music from the ice cream truck that I used to hear as a child while playing out in the yard with my friends during a hot summer afternoon. We could hear that music coming from 1 or 2 blocks over and we knew that the ice cream man was on his way. We all scrambled to our homes to beg for a dime from our mothers to buy some cold treat from the ice cream man when he arrived. We knew that he was coming because his music told us so.

We were already lined up in order (**hey! no cutting in line**) awaiting his arrival even though he was still several houses away. What great memories that brings back to me.

BUT HELLO!!!..... welcome to the world of "**The Rock Stars of the Alternative News**

Media" The Rock Stars of the Alternative News Media. They are sounding the alarms as they announce the approach of the evil New World Order. There will be no pleasant music and there will be no cold, sweet ice cream treat for us. We have nothing but unpleasantness waiting for us as this New World Order finally comes into full view of the entire world. It's very important to them that we start lining up NOW (it's OK, you can cut in front of me) so that the New World Order proceeds without problems.

Here is a quote from Ron Paul's Promoter "**everything I told you so far has come true**".

He really does have a love affair going on with himself and he wants to share his high opinion of himself with the world while proclaiming that he has great understanding of the "problems" before they actually arrive. **BUT WAIT!** If he is the paid employee of the New

World Order as I have said, then certainly they told him what was coming. Then he tells his listening audience 6 months, 1 year, 5 years in advance that something bad is coming and when it arrives, he can't praise himself enough as he boasts of his greatness to the audience. But does that require great foresight on his part if he is only telling us what he was told by his New World Order controllers?

I have told readers in previous articles that the New World Order is going to happen, not because I have great foresight but because God told us all in His Word, the King James Bible. I am not the great one here, God is the Great One. See how that works? We all have access to God's Word. If everyone stopped listening to the New World Order mouthpieces on talk radio, in the **501c3** "Christian churches", on the mainstream TV "News", and spent

that same amount of time reading the King James Bible, we would all understand these times.

God has warned us all. I have shown readers in several previous articles that the King James Bible talks about the very subjects that the **Drama Queen** has been ranting about day after day after day. The **Drama Queen** won't tell his audience about the King James Bible despite claiming that he is a Christian, but I sure will. If people want to understand the current world events, then they must go to God and His Word, the King James Bible. If people keep depending on the various "news" sources, then they will remain lost. I used these verses in a previous article, but they certainly need to be shared again

2nd Timothy

2Ti 3:1 **This know also, that in the last days perilous times shall come.**

2Ti 3:2 For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

2Ti 3:3 Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good,

2Ti 3:4 Traitors, heady, highminded, lovers of pleasures more than lovers of God;

2Ti 3:5 **Having a form of godliness, but denying the power thereof:** from such turn away.

2Ti 3:6 For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts,

2Ti 3:7 Ever learning, and never able to come to the knowledge of the truth.

I have highlighted verses 2 and 5 to show you what God says about people like the Drama Queen.

It is not me saying it, it is God saying it and I'm in full agreement with God. Ron Paul's promoter says he is a Christian, but he NEVER takes his audience to the King James Bible.

So, does this verse apply "Having a form of godliness, but denying the power thereof"?

He is claiming to be a Christian while NEVER showing his audience the TRUTH from the King James Bible. Is he making that claim to fool us into trusting him?

Is Ron Paul's promoter a person who is constantly boasting "I TOLD YOU....."? How often does he talk about being the most listened to person in the "News" media. YES, he is a boastful Drama Queen who just can't say enough good things about himself. Do you remember the Drama Clips from my article "[Have YOU Been Properly Dramatized?](#)" [Listen to this part again.](#)

the rest of us. He is bragging about his "pedigree" and how great he is. At the very end, he says "my ancestors are people that resist tyranny undo death and never back off and never falter". Is that true? I have shown readers in previous articles how he NEVER shows us how the King James Bible applies to the topic at hand. **So he does back off. He does falter. In fact, has there ever been a time when he did not back off and falter when it comes to most important thing in this life, a sincere belief in Jesus Christ? If he had that sincere belief, wouldn't he be showing his audience how the King James Bible applies to the endtimes events that he talks, screams, yells about?**

I have said in several previous articles that Ron Paul's promoter gets a great many things right, **but he never gets God's Word right. NEVER!!! That can't be an accident. That must be an intentional act on his part.**

So why are we listening to him again? If I wrote about every objectionable thing that he says during just ONE show, this article would take hours to write and some, maybe most people would never read it. I hope it never comes to that. I spend my time writing about the Drama Queen because he claims 10 million daily listeners. That's a lot of people who are being fooled. I know who and what he is already, but as a watchman, I feel dutybound to warn people while there is still time. In case you did not read the article that had this link, this is a taste of what is now knocking on our doors. God is warning us. Be Prepared.
