Billy Graham died on

What is REAL and
What Is Imaginary

The Power of Doing Nothing by Kevin Dunn

Written and posted on November 13, 2012

People who are listeners to Alex Jones (the New World Order **insider** who pretends to be fighting the New World Order) will be very familiar with his continual ranting of "**TAKE ACTION**".

Of course, Alex Jones' idea of people taking action is for his claimed 10 million daily listeners to "tell everyone" about his radio show and about his website. He never helps anyone **effectively** fight the New World Order by organizing **peaceful boycotts** of New World Order controlled products and services. Boycotts can be done by anyone, anywhere, and at any time, but **Alex Jones never "TAKES ACTION"** about boycotts. Alex Jones knows that boycotts are the most effective thing that anybody can do to fight the New World Order, so he completely ignores them. If Alex Jones wasn't all about the money, it would be a relatively simple thing for him to tell people what companies are violating our rights. Alex Jones has a massive website, so having a section listing the companies that are anti-freedom seems easy enough to do. People could decide for themselves if they will continue to do business with those companies, but that will never happen.

Defeating the New World Order

A New World Order Hoax called "Thrive"

It is far more important to Alex Jones that he tells us about every problem in the world, real or imagined, day after day after day without providing meaningful solutions to any of those problems. He is focused on trying to scare us and anger us rather than trying to do something **peaceful** to actually help us. Alex Jones knows how he can best serve his New World Order masters and his daily tirades are his contribution in supporting the New World Order in it's fight against you and me.

In fact, Alex Jones encourages people to protest in the streets where they will encounter a massive police presence, which is an incredibly stupid thing to do in today's world. We have the internet. We have instant communication no matter where people are, and yet Alex Jones ignores the very tools that he uses to spread his disinformation while telling people to protest in the streets as if we are still living in the days of horse and buggy. When the horse and buggy were the highest form of technology available to the average person, then people had no other option for peaceful dissent than to peacefully protest in the streets.

Taking the **"action"** that Alex Jones encourages is not what it's cracked up to be, but Alex Jones wants to create conflict. He does not want to defeat the New World Order, he wants to defeat the American people.

Is everyone understanding this?

Alex Jones = emotional thinking that encourages people to **"take action"** that does not accomplish anything.

Peaceful boycotts = rational thinking that allows a person to **do nothing**, like NOT flying, or NOT buying a New World Order product or service while choosing another product or service instead. People don't need to do anything "special". Anyone can peacefully boycott

The Power of Doing Nothing

Random, But Important Information

anything, anywhere, and at any time and there is **nothing more powerful** than that and **nothing more peaceful** than that.

I would like you to consider "the fall of Adam and Eve" from the Garden of Eden when Satan deceived Eve into making a free will choice to disobey God's commandment to not eat the forbidden fruit. However, Satan CON_vinced Eve to **"take action"**.

Satan did not take a piece of forbidden fruit off of the tree and then grab Eve and force the fruit down her throat. Satan simply enticed Eve to violate God's command not to eat from that tree. Satan used propaganda and "spin" to get Eve to act on her own. There was no physical force used by Satan to accomplish his desired goal of getting Eve to act in a manner that was not in her best interest in the long run. With words alone, Satan destroyed Eve's world and Adam's world along with her. I say along with her, because some people miss the part about Adam being right there with her when she ate the fruit.

Genesis 3:6 And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, **and gave also unto her husband** with her; and he did eat.

Do you see how simple this process is? All it took was for Satan to say the "right" words, in the "right" way and he was able to CON_vince both Adam and Eve to turn from God. They both **knew God personally**, and yet they "took action" against God's command.

The better response would have been to **do nothing**. Why didn't Adam and Eve do nothing?

What is it about us that we believe "taking action" is a better choice than doing nothing? God

gave each one of us the ability to think, but how many of us choose that over "taking action"? Why do people like Alex Jones try to stir up our emotions by making us angry or scared instead of trying to help us to think effectively? Does Alex Jones yell and scream for 3 hours a day on his radio show to help us think better or is he trying to limit our thought processes and incite us into acting in a way that is not in our best interest? When was the last time that you heard any teacher or professor screaming in a classroom? Good thinking and learning don't require such behaviour from the instructor.

What we think is so important, that it is the deciding factor in determining where we spend eternity. We either have faith (think) that Jesus Christ is the Son of God and that the King James Bible is God's Word, or we believe (think) that something else is true.

Can it be any more simple than that? Our thoughts matter over everything else. Whatever we believe (think) to be true, that is what guides our actions. Thoughts always precede actions.

Because our thoughts are so important, the New World Order is doing everything that it can to influence us. The New World Order controls the "news" media, the "entertainment" industry, the music industry, the various governments and all of it's departments and agencies, the "education" system, the mainstream Christian "churches". It's hard to find honest information without wading through mounds of garbage.

Make no mistake about it, Alex Jones is absolutely correct when he says that **there is a war on for your mind**. Alex Jones knows it better than most people and he is doing all that he can to deceive his listeners and help win the war for the New World Order.

he need to lie to you in order to take you to an entirely different place than you thought you were going? People who think that Alex Jones is an honest beacon of truth (10 million daily listeners according to Jones) fail to realize the true nature of his job. Alex Jones tells a great deal of truth to gain trust and credibility. He doesn't do it to help us, he does it to deceive us in the end. He only needs to tell us a few well placed lies to send us in the completely wrong direction. I showed people exactly this in my article "[Alex Jones Talks about "Spirituality"](#)"

Now apply this very concept to every "news" media article and TV report and it's easy to see that we can all be played by the New World Order and that we are being constantly played by them. We can easily be taken somewhere that we never wanted to go if we believe (think) that we are being told the truth by these vultures.

So what's the answer to all of this?

1. First and foremost..... **think**. Don't allow emotions to govern your thoughts. There is almost always time to think, but very few mainstream information outlets and "alternative media" (controlled opposition owned by the New World Order) encourage good thinking.

2. **Do nothing**. Don't act because someone is pressuring you to act. If you are being pressured to act, that is a good sign that you are being led down the wrong path. If you don't have firsthand knowledge about something, BUT you are only being told something by the lying government or "news" media, then any action that you take based on that spun and twisted information is likely to be wrong. **Take the time to learn the facts**.

Example: 9-11. How many of us supported the idea of using the USA military against Afghanistan because we trusted the lying USA government and the lying "news" media

"Hate Crimes"? "Blue Lives Matter"? Seriously???

when they blamed Bin Laden?

We knew nothing firsthand. Everything that we "knew" was fed to us by liars.

When a person is being mugged in the street, they have firsthand knowledge about that event. They don't need to be told by the lying government or the lying "news" media that they are in danger because they are directly involved in the danger at that very moment. The use of physical force, including deadly force, might be justified to protect themselves without the prior approval of the government.

However, simply being told that a particular group is responsible for a particular act by the liars in government and the "news" media while claiming that our safety is in jeopardy is not enough for me to do anything, except search for the truth.

Firsthand knowledge trumps secondhand lies every time. After that, researching is the best way to discover the truth.

So why do we allow the government to "**take action**" against an entire nation of innocent people based on the secondhand information fed to us by the liars in government and the "news" media? Why do we believe (think) that using deadly force is justified against an entire nation of innocent people when those people had nothing to do with the actions taken by the **occupying force** in their country that claims to be "their government"?

The USA government can locate any person on the planet with the technology that we know about. Every person with a cell phone is being tracked everywhere they go, right now. Every person using OnStar in their cars is being tracked everywhere they go, right now. Every person using those 2 items can be listened to at any time, right now. So why did the USA

military need to invade entire countries, killing millions of innocent people and destroying everyone else's life when it is possible to isolate and capture the "**guilty parties**" without harming innocent people?

3. Recognize that we are all enslaved by the various **Corporations pretending to be "governments"**. Every inmate who is confined in a "government" prison knows that they are a prisoner. Now I know that I am not a "free" person living in the USA as well. I am a prisoner living in a country ruled by a **satanic occupying force** that claims authority over me while calling itself "government". We have "**free speech zones**" now. We have **TSA molesting** every airline passenger now. We have the **government calling people "terrorists"** if they peacefully dissent now. We call ourselves "free" while waving the flag and "spreading democraZy" around the world while killing millions of innocent lives in the process now.

Bill Clinton said that it was a mistake for an American to think that they can love their country while hating the government. I have news for Bill Clinton. I hate the USA government and every state and local government that is serving it. The USA government is the 2nd beast of Revelation 13 and every state and local government is an arm of the USA government. The USA government will enforce the New World Order for the antichrist. Bill Clinton knows that to be true, but Bill Clinton is a pathological liar who is serving Satan's New World Order.

Without going into a long thing about it like I did in a previous article, I will simply point out that there must be an "Old World Order" if these **satanic creatures are ALL** calling for a "New World Order". The "Old World Order" is God's Creation. **The "New World Order" is Satan's monstrosity.**

4. Now that I understand this, what am I going to do about all of this? I'm going to **think** and I'm going to **learn** and I'm going to **write articles** like this one. I am going to warn people about what is true. **I am going to live in peace while being prepared for something else.** I am going to tell every person to buy a gun if they don't already have one.

I'm not going to serve this satanic government. I will look for ways to **avoid direct conflict** with this prison warden government and the various guards who are enslaving me and the rest of the country. **I will not defend this satanic government.** If the entire USA government was attacked, I would do nothing to defend it. I do care about the people living in the USA, but I hate Satan and I hate his satanic governments and so does God.

I will not be confused about who the American people are and what the satanic USA government is. No inmate confuses himself with the prison system that enslaves him, nor shall I. I know the difference between the American people and the satanic government and I will not submit to the people who wear their **costumes of authority** while doing the work of Satan.

I was an Arizona Highway Patrolman for 22 years from Jan 1977 - Dec 1998 and I wore one of those **costumes of authority**. Back then, I didn't know most of what I know now about God, or the King James Bible, or the endtimes in which we are currently living. 9-11 changed all of that. I educated myself and I found out that my own department lied to all of the officers about the OK City Bombing in 1995. If my department, the Arizona Department of Public Safety (Highway Patrol) lied to all of us about something as important as that event, what makes you think that your department is not lying to you?

It would be a mistake for anyone reading this article to think that I am anti-government or anti-police. I am far from that. God Himself is a government. God is comprised of: God The Father, Jesus Christ, and The Holy Spirit. They are *ALL* fully God, but they also perform very different functions from each other, just like man's government. **Good government is God ordained** and all of us should follow it. However, we are living in the very endtimes of the Bible at this very moment. The USA government, including *ALL* state and local governments, have been seized by Satan and his dark forces.

Allow me to show you.....

Romans 13:1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.

Romans 13:2 Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation.

Those 1st 2 verses tell us that GOOD government is of God and should be obeyed.

Romans 13:3 For **rulers are not a terror** to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same:

Romans 13:4 **For he is the minister of God to thee for good.** But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil.

Notice the word **TERROR**

This satanic USA government has pounded the expression "**war on terror**" into our heads at every turn using every possible event and every possible communication method at their

disposal to rant about "**TERROR**" just like Alex Jones and his non-stop rants. How about that, eh? The very word that the King James Bible uses to tell us what a **GODLY RULER** is not, is exactly the same word that this satanic government uses to terrify us.

Listen as the satanic government leaders try to terrify us.

or

<http://www.kissyourillusionsgoodbyevidenceroom.com/videos-page-1-9/Republican-National-Convention-2004-GOPmp4-107887>

How hard is this to figure out?

5. If the satanic government chooses not to allow me to live in peace, then I will defend myself. God does not expect us to live with this tyranny nor does he oppose shedding the blood of evil men. **God approves of self defense against evil men, no matter who they claim to represent or what authority they claim to possess.** The various costumes of authority don't matter when the people wearing those various costumes (uniforms) are threatening the very peace that they all swore to uphold. While I can't speak for all of the other states, I can speak for the State of Arizona. **ALL police officers are sworn in as PEACE OFFICERS.**

I strongly suggest that every police officer in the country start learning the truth about how

they are being used against the American people by the New World Order. Let this be a guide..... if the "law" that you are **enforcing** is not about keeping the peace (you are a sworn Peace Officer, **not** a sworn "law enforcement officer") then why are you enforcing it?

The courts and prosecutors and the various legislative bodies have no power unless you enforce some "law". Only you, as sworn Peace Officers, are REAL. Courts, prosecutors, legislative bodies only have words written on paper, but **you are force**. You know that to be true. You were taught the continuum of force in the police academy.

http://en.wikipedia.org/wiki/Use_of_force_continuum

Your physical presence is the first level of force. If you don't enforce some rule that you had no part in creating, then that **rule** is non-existent. You have the power to make life better for all of us or worse for all of us, including for yourself. Understand the times. I wrote about it in greater detail here "[What is REAL and What is Imaginary](#)".

Do you remember the title of this article? "[The Power of Doing Nothing](#)".

Do nothing, Peace Officers, unless it is a matter of **protecting people and keeping the peace**. Stop serving the New World Order that claims authority over the American people. Stop enforcing every piece of garbage "law" that they write. Words on paper have no power over you. If Satan did not use force against Eve, how much worse is it to use force against people to accomplish Satan's goal? Don't be fooled like Satan fooled Eve. Nobody can make you do anything without your consent, although they will most certainly try.

6. There was a time when I believed the expression "law abiding citizen", but then 9-11 happened. Look at all of the evil taking place in the USA and around the world caused by

the USA under the banner of "safety and security". I have no doubt that I am on the government's "terrorist" list(s) for the things that I write. I really don't care. I understand the times and I know who God's enemies are. Most of the people who are serving this evil government simply don't understand the times. If they did, they would be acting to defeat the New World Order rather than to serve it.

My new standard is "peaceful citizen". I don't want to live in a society that is "law abiding" when the laws allow TSA to molest every airline passenger or laws create "free speech zones" or laws allow the President to arrest anyone as a suspected terrorist without warrant and without charges and without due process in a court of "law".

Or how about this..... what do people think will happen when a police officer tries to arrest a person who knows about the NDAA (National Defense Authorization Act) that allows unlimited detention by the government of anyone claimed to be a suspected terrorist by the lying President of the USA? Is there any police officer out there who wants to deal with that? Can you just imagine it? A peaceful citizen (like me) who is vocal about the satanic government gets a bogus warrant "hit" on a file that pops up when an officer runs a routine check during a minor traffic stop. The citizen (like me) is a good guy. The police officer is a good guy. However, the lying government creates a situation that pits these 2 good people against each other. Does anyone see any good outcome here? The officer is only doing his job and the citizen (like me) knows that he is in jeopardy of being shipped off to some federal detention center with the possibility of never returning.

I bet there were plenty of good men fighting in the Nazi military during World War 2. They got sucked into that war because they were deceived just like the men and women who are serving in the USA military now. Those good German men were up against more good American men who were also deceived into fighting that war because of the lies of USA

President FDR. The next thing you know, all of those good men were fighting each other because they believed the lies told to them by their satanic leaders.

7. Is there any reason for any of us to believe the government anymore?

Have you seen the movie "**The Soviet Story**"?

<http://www.myspace.com/video/the-response-crew-hisshadyness-caeimhin/the-soviet-story/100602146>

or

<http://www.kissyourillusionsgoodbyevidenceroom.com/videos-page-1-9/The-Soviet-Story-107888>

Now that you have just watched that movie, which path are you going to choose?

Police officers.....

1. Why should we trust you?
2. I know that most of you are good people, but you are serving an evil system. Why are you still serving it?
3. What are you going to do with that good citizen (like me) in the above example?
4. Even if you are a good guy who wants to do the right thing, do you know other officers

who are less concerned about such things than you?

5. Do you see any good way out of this for any of us, including you?

6. If you, being a good guy, are still serving the evil system simply by wearing that uniform (remember... everywhere you go in that uniform, **force** is what you represent), what are we to think about you?

7. That uniform and what it represents **was** a good thing when the government **was** fair and just, but now the government is acting like the 2nd beast that the King James Bible tells us about in Revelation 13. Why are you still wearing it?

The list of questions could be quite extensive, and it would be good for every police officer and every citizen to ponder them at length.

Consider this verse.....

John 16:2 **They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service.**

It's easy to make a parallel connection here. The USA government is creating a "**No Fly List**" = "They shall put you out of the synagogues". The USA government will deny peaceful people the right to fly and the right to own firearms and the right to enter federal buildings and the right to protection from unreasonable search and seizures and the right to be safe from government intrusions and arrests without charges and due process in a public court of "law" and MANY MORE rights will vanish in the days to come.

Police officers and the military **will think** that they are doing **God and country a service** by following orders to dominate and kill innocent people who the satanic government calls "**terrorists**". Do you remember the police and military going door to door in New Orleans after Hurricane Katrina and seizing people's weapons? Those foolish military and police were violating their very oaths to serve and protect the people.

That's right, fellow police officers, I can see what is happening in this country and I write about it extensively. **I know that the real terrorists are the USA President and the USA Congress and the USA Supreme Court and the top brass of the USA military and the top brass of the USA police departments.** Remember? I told you that the USA government is the 2nd beast of Revelation 13. I wrote about it in greater detail in my article "[What is REAL and What is Imaginary](#)"

See how easy this is? I was once an active police officer just like you, but the satanic USA government has now labeled people like me "domestic terrorists" because we are warning everyone about this satanic government. Suddenly, people like me are considered a threat. But we are not a threat to you and we are not a threat to the American people. We are a threat to the satanic power structure running this country because when we tell you the truth, and you investigate what we say and find that we are telling you the truth, you won't protect and obey the power structure. You will protect the American people.

Satan and his minions (USA government) do things in secret and the light of truth has the same effect on them as the sunlight has on Dracula. It destroys the illusions that you have been told your whole life.

Do you remember the Clint Eastwood movie "The Outlaw Josey Wales"?

Do you remember this scene when a bounty hunter, **who was enforcing the "law"**, came to arrest Josey Wales?

Outlaw Josey Wales - "Dying Ain't Much of a Living Boy"

<http://www.youtube.com/watch?v=ZECIGMJ2r3g>

or

<http://www.kissyourillusionsgoodbyevidenceroom.com/videos-page-1-9/Classic-Movie-Lines-mp4-107889>

The American people want peace. Are you going to allow them to have that peace or are you going to dominate and kill innocent people while thinking that you are **doing God and country a service** because you weren't wise enough to understand these times?

If serious revolts happen in this country, understand that they will be happening in large measure because the police and the military failed to protect the American people from their greatest enemy, the USA government and it's state and local minions. There is nothing worse than a person in a position of power and authority who can't think well. Blind obedience to their chain of command is sure to have serious consequences for all of us.

It's one thing to be ignorant. It's something completely different to **willfully remain** ignorant. I was certainly ignorant of the **true** nature of the world when I was an Arizona Highway Patrolman because I basically trusted my department and the government and the "news" media and the mainstream Christian "churches". 9-11 changed all of that. If I can learn the truth, then so can everyone else. I have already done some of the heavy lifting for people

who want to know the truth. If you are not one of the people who wants to know the truth and you happen to be a police officer or in the military, any conflict that might arise between you and the American people is on your head and God will judge you accordingly.

Pay attention to these verses police officers and military, because they apply to you.

Ezekiel 33:2 Son of man, speak to the children of thy people, and say unto them, **When I bring the sword upon a land, if the people of the land take a man of their coasts, and set him for their watchman:**

Ezekiel 33:3 If when he seeth the sword come upon the land, he blow the trumpet, and warn the people:

Ezekiel 33:4 **Then whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head.**

Ezekiel 33:5 He heard the sound of the trumpet, and took not warning; his blood shall be upon him. But he that taketh warning shall deliver his soul.

Ezekiel 33:6 But if the watchman see the sword come, **and blow not the trumpet, and the people be not warned;** if the sword come, and take any person from among them, he is taken away in his iniquity; but **his blood will I require at the watchman's hand.**

Do you see and understand those verses, police officers and military?

YOU are the American people's watchman.

You were hired to protect us. If you fail to do your sworn duty, then **God is going to hold you accountable for the blood that was shed as a result of you failing to warn and protect us.**

This life is nearly over for all of us, no matter what the lying government and the lying "news" media tell us. We are absolutely living in the very endtimes of the Bible right now. The 85 year old Pope is the last Pope before the antichrist appears on scene. We haven't seen anything yet compared to what's coming. Furthermore, the USA is going to be punished by God for **our sins as a NATION**. We are the 2nd beast of Revelation 13, but we, as individuals, can repent of our sins and stop participating in the One World Order. The New World Order ***is going to happen***, but we don't need to be a part of it.

Revelation 18:4 And I heard another voice from heaven, saying, **Come out of her, my people, that ye be not partakers of her sins**, and that ye receive not of her **her plagues**.

The choice is ours **alone**. We all stand before God, **alone**, come Judgement Day.

For those of you who do not understand the times or do not believe in Jesus Christ and the King James Bible, here is an ongoing video series that will show you what is happening in the world right now. It shows natural disasters happening all around the world, NOW.

Completely ignore every piece of information that you have been told concerning the **actions of people** around the world and just look at nature. As you are watching.....THINK.

Actions always have consequences, so when anyone tries to coerce you or shame you or deceive you or manipulate you in any way to TAKE ACTION, my advice is for you to put as much distance as you can between you and those people.

We are not on this planet to "take action" against other people. We are on this planet to know and serve Jesus Christ and live in peace with our fellow man, if that is possible.

Romans 12:18 **If it be possible, as much as lieth in you, live peaceably with all men.**

Do you see that?

We are not told to trust the lying government and the lying false preachers and obey them when they tell us to run off to fight against innocent people.

How many times have you heard "God is on our side"?

Have you ever heard the deceivers say "We are on God's side"? If anyone has actually said that, then they better be able to show us directly from the King James Bible what God's side is in the matter.

We are ruled by satanists in government and in every mainstream Christian denomination. Just research the word "**ecumenical**" and see that the Vatican is currently gathering *ALL* of the mainstream Christian denominations to form the One World Religion.
