## Thug Sheriff and His Gang Just Threatened All of Us

by Kevin Dunn. Written and Posted on April 11, 2017

Lake County, Florida, Sheriff Peyton C. Grinnell has just told all of us what's really happening with the police. He has confirmed what I have been saying on this website

Here is his video.

From this article [Hey Voters..... Have You Figured It Out Yet?](#)

### "What does the color black represent?"

1. Intimidation. Hitler's Gestapo wore black.
2. Judgment. Judges wear black. They condemn people.
3. Death. The executioner wore black in times gone by.
4. Death. The undertaker wore black in times gone by.

Do you imagine that painting police vehicles black is just an accident? Not even close. You ARE seeing a CONSPIRACY happening right in front of you, even if you don't have the awareness to recognize it and understand it."

Whenever you see the police wearing black uniforms or driving black vehicles, you should KNOW that you **ARE** seeing a police agency that is already BAD or is in the process of sliding down the slope into a completely degenerate state of being.

Not too hard to figure out who is what in that clip, is it?

Why do ADULTS struggle to see and understand what is clearly being shown and told to ALL of us by these **SCUM** police chiefs and sheriffs?

I answered that question too, in [Hey Voters..... Have You Figured It Out Yet?](#)

"People are voting for their **EMPLOYEEES**, right? Aren't the American People the bosses? If they aren't the bosses, why does anyone vote? If they are the bosses, why do they allow their employees to tell them what to do? **Why do the employees make all the rules and laws?**

Can any of you explain that for us?

I can explain it. In fact, I just told you. **Brainwashing.**

We have ALL been brainwashed our entire lives by the New World Order controlled governments that lie to us constantly, the "News" media that lies to us constantly, the public "education" systems that lie to children and persuade then to accept all manner of perversion, the TV shows and movies are intentionally created to alter our thoughts and perceptions of reality and gives us permission to behave badly because "everyone is doing it".

We are ALL under attack every day. There really is a war raging for our minds and it's getting worse. You WILL do what you have been conditioned to do. The advertisements on TV aren't there because they have no effect on us. They are very effective and so is the TV programming. People will deny that TV programming means exactly what it says, which is the active attempt to alter our perceptions and our behaviours through showing us and telling us things in such a way that most people don't even know that it's happening. The same people who will deny that TV programming is real will also admit that computer programming does exist. It's exactly the same word with exactly the same meaning."

Sheriff Peyton C. Grinnell is **SCUM**.

He is brainwashing the people who work for him. (COME ON!!! 4 deputies dressed completely in black uniforms and they can't figure out that **THEY ARE the BAD GUYS?**)

He is brainwashing his BOSSES (the People who live in that county ARE his bosses)

He is brainwashing every person who sees that video.

Here is a video showing officers of the Arizona Highway Patrol (my former employer) who are **wearing BLACK shirts and jackets that say "State Trooper"**. The Arizona Highway Patrol is in the process of sliding down the slope into a completely degenerate state of being. They **ARE** becoming a New World Order police agency. Do the officers see it?

This is how things change SLOWLY, so as not to completely startle the public or the officers into fully realizing what is happening right in front of them. Notice the highway patrolmen are still wearing TAN colored pants, which is the color of the normal highway patrol uniform.

You will see the same slow transition in how the Arizona Highway Patrol is replacing the OLD "Highway Patrol" markings to the NEW "State Trooper" markings. When an OLD "Highway Patrol" vehicle is replaced, the NEW vehicle says "State Trooper" with a completely different vehicle color and design.

Slowly, eh? Don't go too fast with any changes to alert and scare the brainwashed cops or the trusting public into understanding what's REALLY happening.

I will repeat what I already said at the beginning of this article.

**"We are ALL under attack every day. There really is a war raging for our minds and**

**it's getting worse. You WILL do what you have been conditioned to do.** The advertisements on TV aren't there because they have no effect on us. They are very effective and so is the TV programming."

Stop believing the LIARS.

I showed you exactly how I was lied to by my employer, the Arizona Highway Patrol, in the article [Arizona is "Dog Training" Drivers](#) concerning the OK City bombing in 1995.

Nothing has gotten better. I won't believe ANY police chief or sheriff. EVER.

I suggest that you don't believe them either.

**As always, trust God and trust the King James Bible.**
